Local "Flood Victims" in Appeals to City Council

February 28 Is Set as Date for Inspection Trip by Council, Property Owners In Re-Zoning Question

This season's extra-heavy rains which again caused the overflowing of the storm sewer on Portland Avenue were responsible for a deluge of letters to the City Council at its Monday night session.

Communications from residents of this street asked that they be spared another season of flooded garages and basements and the accompanying damage and health menace which results from the sewer main being too small to handle the amount of water in time of heavy showers.

"Something should be done to remedy this condition" said a letter from Joseph Credo, 1113 Portland Avenue, who told of the yearly inundation of his property.

RELIEF ASKED
The damage to his property at 1137 Portland Avenue was related in the communication from Dominic Leone. He told of the resultant dampness in the lower floor of his home, due to the water.

The letter from Leroy Thomas, written in behalf of Mrs. M. Irwin, owner of the property at 1435 Portland Avenue, told in detail of the trouble occasioned by the seasonal "flood condition" in that neighborhood.

Thomas said, in part, "Three to four feet of water was standing in the garage, making it necessary to abandon its use—pumps installed to carry off the water were unable to cope with the great quantity which flowed in—is it necessary for a property owner and taxpayer to undergo this heavy expense annually?"

Similar complaints were received from the residents of 1125 and 1432 Portland Avenue.

The sewer main on this thoroughfare, it was pointed out by a spectator, is only a 12-inch one, and is also used by the City of Berkeley to carry off the water from as far as Colusa Avenue. Consequently, in time of at all heavy downpours it is much too small to handle the load it receives.

The letters were referred to City Engineer H. I. Dygert and he was ordered to make a complete survey to determine the best method or methods of remedying the condition. Estimates of the costs of such action are also to be supplied by Dygert after his investigation. This motion, made by Councilman B. W. Mowday, was seconded Councilman George Batchelder and passed by the entire council.

CALLS FOR INSPECTION

After postponing action on the rezoning of property on the west side of the hill for a period of four weeks, Mayor O. C. Yenne set February 28 as the date on which an inspection tour will be made by the City Council and other interested parties, of this land on the bay side of Cerrito Hill.

This time, agreed representatives of the E. I. du Pont de Nemours Company and the Coast Manufacturing and Supply Company, owners of 60 and 70 acres respectively in that district, would be acceptable to them. Other interested persons are asked to meet at the city hall at 2:30 p. m. on the announced date to join in the tour of inspection of the property.

The owners of these large tracts have asked that the city refrain from rezoning this neighborhood to make it a residential or light industrial zone. Some residents, however, have asked that the present classification of heavy industrial be changed to protect their property in the future.

NAMED TO BOARD

Harold L. Burlingame of 1447 Marin Avenue was appointed by Councilman Batchelder to occupy the position vacated by R. J. Marengo on the park board, Marengo, said the Councilman, is moving to Richmond.

The council passed a resolution facilitating an exchange of property between the city and C. M. MacGregor. The property now occupied by the corporation yard on San Gabriel Avenue is to be traded for lots on the same street that will give the city more ample quarters for its equipment.

Four lots owned by the city on Masonic Avenue, north of Solano Avenue, are to be put up for sale in the near future, the council announced.

Will Meet in Former Hall

At the last meeting of the N. D. G. W. members voted to move back to the Maccabee Temple for future meetings. The date has also been changed to the second and fourth Wednesday evenings instead of on Fridays.

Tomorrow a food sale will be held at Dagna's Market. Mrs. Althea Hart and Mrs. Margaret Cannon are to be in charge.

At the next meeting an award will be made by the drill team. Tickets are now on sale and may be purchased from any Daughter.

After the next meeting, a "Kid's Party" will be held to celebrate the second anniversary of the Parlor. All members are asked to wear suitable costumes and those not doing so will be fined. Awards will be given to those adjudged the best. Mrs. Antoinette Stallone and Miss Grayce Higgins will be in charge.

Police Dept. Nabs 140 in Traffic Drive

It's becoming extremely unpleasant to "break through" the signals at the intersection of Solano and San Pablo Avenues, those who attempt it are finding out.

Advised by Chief of Police John Glavinovich to "bear down" on all such offenders, the members of the police force are daily nabbing a goodly number. A check-up of the files, with the assistance of Mrs. Myrtle McLean, court clerk, reveals that 140 persons have been arrested for the offense since the first of the month.

Characterizing the practice as particularly dangerous to pedestrians, Chief Glavinovich stated that there will be no let-up in the arrests until the drivers themselves learn that the signals must be obeyed.

Fines amounting to \$82, \$2 each for 41 persons, have come into the city coffers in the past week from motorists who have been negligent in their observance of the traffic signals, Mrs. McLean disclosed.

Hive Initiates 2 New Members

Purchase of a bakery at 1290 Alcatraz Avenue, Berkeley, was announced this week by Frank Shalinsky of this city. A son, Dave Shalinsky, will be associated with the local man in the business.

Shalinsky, formerly a grocer here, recently returned from a business trip to Kansas City. He is a resident with his family at 830 Jackson Street.

The property was originally secured as the site for a fire house, but was never used because of the narrowness of the street.

Approval Given To Appointment Of Burlingame

News of the appointment this week of Harold L. Burlingame to the park board position recently vacated by R. J. Marengo was greeted with approval by his many friends.

Residents here for the past 20 years, Mr. and Mrs. Burlingame and their family live in their own home at 1447 Marin Avenue. The couple have three children, Patricia, a student of Albany High School, and Barbara and Luther, both attending Marin School.

Burlingame has long been active in the affairs of the Marin Dads Club. He is a master mechanic at the Marchant Calculating Company.

Two Speakers Address Local Club Members

The Thousand Oaks Democratic Club at its regular meeting last Tuesday night appointed Lloyd C. M. Hare, Fred G. Clute, and Victor Collins a committee to communicate to Congressman John H. Tolan and Senators McAdoo and Johnson its unqualified endorsement of President Roosevelt's recent recommendation to Congress respecting the reorganization of the Supreme Court.

H. Hyer Whiting, who introduced himself as the man who held the distinction several years ago of being the Democratic Party in Berkeley, addressed the club on the highlights of the recent inauguration of President Roosevelt. Whiting attended as a presidential elector.

He referred to his activities as member of a national committee of businessmen advisory to the Department of Commerce, and commented strongly on the striking changes in the business activities of the country since his trip across the continent four years ago to attend Roosevelt's first inaugural.

Frank F. Whiting, postmaster of Berkeley, spoke on the local postal service and the splendid record made by Berkeley and Albany employees in the distribution of the bonus, delivering bonds and checks to thousands of veterans without the error of a single dollar.

The meeting was presided over by Fred Clute, president of the group.

East Bay to Soon Possess Jr. Symphony

A Junior Symphony is being organized in the East Bay to give talented and advanced young musicians the ensemble and orchestra training so necessary for good musicianship.

Miss Jessica Marcelli has been called to conduct this new orchestra because of the ability and skill she has shown in the direction of children's orchestras in Southern California as well as her recent successes of the past season with the Berkeley Community Orchestra which played to capacity audiences in the Veterans Memorial auditorium in November.

Mrs. Marcelli was also asked to conduct the orchestra of the Berkeley Bach Concert of this season and gained recognition through the success of that program.

CHEST NEEDS YOUR AID!

"The success of the future work of the Community Chest here will depend largely on the report of captains this week," according to C. E. Morris, in charge of the local drive.

"Progress this far," he said, "has been a little discouraging, but it is our sincere hope that the general public will respond during this next week."

In the event that the drive proves unsuccessful, the people of Albany are reminded that 23 separate drives, one for each agency this is supported by the Chest, will have to be made.

The quota for Albany is \$3,000, less than a dollar per family, the workers have pointed out. About

ALBANY POST Wagon Wheel Popular Club

NO. 292

Commander Leon Fay is expecting a large number of Albany Post members at the regular meeting tonight. The entertainment feature will be a sound moving picture of the Pacific Telephone and Telegraph Company's latest development in trans-oceanic telephone communication. This picture was secured by Past Commander E. M. Hodgkins and was scheduled to be shown at a previous meeting, but because of the demand for the film it could not be obtained until tonight.

The only business of importance will be the discussion of the plans for the Fifth Annual Smoker. From Chairman Walker Lyon, it is learned that there is more interest aroused by the show this year than in any of the four previous Smokers and the demand for invitations from the committee and Legionnaires is far in excess of the supply, but the committee will endeavor to take care of the crowd. Fred Houser, J. R. Moore and Sid Williams, will be in charge of the refreshments and seating arrangements, have engineered a plan whereby it is expected that every guest will have a comfortable seat with the aisles arranged so the guests will not be crowded.

The city police and fire departments have volunteered their aid to handle the largest influx of visitors Albany has ever had because the fame of Albany Post as a host has spread all over the state.

George Batchelder has volunteered his services to help Max Etingoff on the reception committee, and we expect to see O. C. Yenne lending his aid to the general committee after he takes care of his distinguished guests for the evening, because "Chub," as he is known among the veterans, cannot sit by when there is work to do.

A note of particular interest to Albany Post was found in the Post's history as compiled by Charles Kohlmeier. June 28, 1937 will be the tenth anniversary of the founding of an American Legion Post in Albany. Of special interest is the fact that of the

The chance to get hot and enjoy ourselves comes seldom to most of us. When those rare times come, the question then is where shall we go? An evening spent at this great night club, "The Wagon Wheel" located at 325 Panhandle Blvd., El Cerrito, will answer this question forever.

Here you are enthralled with the ever present spirit of conviviality, the rhythmic dance music and superb dance floor, to say nothing of the delicious foods and extraordinary entertainment. When you spend an evening here, you realize why this club is known as the "unique Night Club of the East Bay."

The Wagon Wheel is ably managed and has made thousands of friends throughout the Bay district through its genial hospitality and desire to see that everyone leaves the Wagon Wheel satisfied that they have spent a never-to-be-forgotten evening.

The Wagon Wheel is equipped to handle banquets and private parties and reservations may be made by phoning Berkeley 9353.

Spring Specials At Avenue Shop

A complete line of spring dresses at remarkable low prices is now being offered at the Albany Music and Dress Shop at 1423 Solano Avenue, announces Mrs. F. Hartley, who with her husband operates the store.

The store also handles a complete line of dry goods and materials for stamp collectors, she said.

Expert repairing of all musical instruments and accessories for musicians are supervised by Hartley, a well known local instructor and musician.

Mrs. Randolph Crouse took Brownie Pack No. 6 on a tour of inspection of Band's Bakery last Tuesday afternoon.

46 names on the charter roll, 24 of the founders are active members of the Post today.

Imperial Beverage A Reputable Firm

Good pure beer taken in the proper degree is a wholesome palatable tonic that is often prescribed for run-down people. It is as delightful as it is nourishing when you select the famous Tacoma, Rainier and Golden Glow beers, distributed throughout the East Bay by the Imperial Beverage Co., and on sale at many leading taverns and liquor stores.

Mr. Stahl, the able manager of the Imperial Beverage Co., has also faithfully served the East Bay for many years as a distributor of high grade carbonated beverages, syrups for fountain use, and Orange and Lemon Crush.

The reputation of both Mr. Stahl and the company is such that it is in itself a recommendation of the quality of any beer or beverage when they act as its distributors.

It is to firms such as this that maintain high quality, strive for the best in service and whose integrity is never questioned that the credit is due for the growth of Oakland into the prominent distributing center for a wide area.—Advs.
